WHAT IS INDIA INTERNATIONAL BULLION SUMMIT (IIBS)

The idea behind organizing the IIBS Summit is to create awareness of issues not only for our members but also of the country at large. The Summit will give a good platform to the industry to keep abreast of the latest development and opportunities in the field of Mining, Banking, insurance, Logistics etc. related to the Bullion and Jewellery Industry.

This event will bring together a diversified group of experts, officials and trade pundits not only from India but from across the world. Prominent speakers will address major issues pertaining to today's bullion & jewellery trade scenarios.

The 1st India International Bullion Summit (IIBS) was held on 5th October 2013 at Hotel Grand Hyatt, Mumbai, India.

**The 2nd India International
Bullion Summit (IIBS)
was held on
4th & 5th October 2014
at Hotel Sahara Star,
Mumbai, India.**

 WORLD GOLD COUNCIL

Vision 2020 | India gold industry

1. India to be 'jeweller to the world;' five-fold increase in gold jewellery exports to US\$40 billion
2. 'Double employment' - 5 million new jobs created across the gold value chain
3. 40% of gold demand should be met through domestic stocks and 60% from imports and mining
4. 75% of gold sold to be standardised and hallmarked
5. 'Karigar welfare scheme' towards skill development and training of artisans
6. 'Gold tourism' circuit, showcasing handcrafted Indian jewellery

"India's prosperity - advanced by gold"

The 3rd India International Bullion Summit (IIBS) was held on 1st December 2015 at Hotel Sahara Star, Mumbai, India.

The 4th India International Bullion Summit (IIBS) was held on 16th March, 2017 at Hotel Sahara Star, Mumbai, India.
